***The Lifetime Limited Warranty Term for Heritage Vintage and Heritage 50 Shingles applies only to owner occupied, single family, residential structures and is not available for multifamily, non-residential or non-owner occupied structures. The Term for Heritage Vintage and Heritage 50 Shingles installed on multifamily, non-residential or non-owner occupied structures is 50 years.**

TAMKO Full Start Period: If, during the Full Start Period, Shingles that have been installed in strict accordance with the application instructions printed on the wrapper are determined to have manufacturing defects which have directly caused leaks, TAMKO will provide the Owner with a Material Certificate for replacement shingles (or, at TAMKO’s option, the Dollar Limit Per Sales Square identified in Table 1) and a Labor Payment Certificate that may be used to pay the reasonable cost of installing replacement shingles, according to the terms of this Limited Warranty. This is TAMKO’s Maximum Liability during the Full Start Period.

After the Full Start Period: If, after the end of the Full Start Period, Shingles that have been installed in strict accordance with the application instructions printed on the wrapper are determined to have manufacturing defects which have directly caused leaks, TAMKO’s obligation is limited to providing the Owner with a Material Certificate for replacement shingles or, at TAMKO’s option, the Dollar Limit Per Sales Square identified in Table 1. The Dollar Limit Per Sales Square and the quantity of replacement shingles will be prorated over the life of this Limited Warranty. This is TAMKO’s Maximum Liability after the Full Start Period. TAMKO is not responsible for the cost of labor for installing replacement shingles after the Full Start Period. Proration shall be determined by dividing the number of months remaining in the Term by the total number of months of the Term. For example, if TAMKO is notified of a warranty claim at a time when 100 months remain in a 300 month warranty Term, TAMKO’s Maximum Liability is to provide a material Certificate for one third of the replacement shingles or, at TAMKO’s option, payment of one third of the Dollar Limit Per Sales Square identified in Table 1. The remaining cost shall be the responsibility of the Owner.

For Heritage Vintage and Heritage 50 Shingles with a “Lifetime Limited Warranty” Term, after the 50th year of the Term TAMKO’s Maximum Liability is to provide a Material Certificate for one-tenth of the replacement shingles, or at TAMKO’s option, payment of one-tenth of the Dollar Limit per Sales Square identified in Table 1. The remaining cost shall be the responsibility of the Owner.

Both during and after the Full Start Period, the extent of replacement is at the

sole discretion of TAMKO. TAMKO is not responsible for the cost of any materials other than the replacement shingles (as provided herein) including, but without limitation, flashings, metal work, etc. TAMKO is not responsible for the cost of tear-off, removing or disposing of Shingles which are to be replaced. Replacement shingles will be warranted only for the remainder of the original Term. Tender of payment of the prorated Dollar Limit Per Square shall extinguish all liability of TAMKO under this Limited Warranty and all applicable implied warranties and conditions.

Notification to TAMKO: The Owner must notify TAMKO by certified mail at P.O. Box 1404, Joplin, Missouri 64802 of any claims under this Limited Warranty within thirty (30) days following discovery of the potential problem with the Shingles. The notice must include documentary proof of Purchase. Failure of the Owner to notify TAMKO as provided herein shall extinguish all liability of TAMKO under this Limited Warranty and all applicable implied warranties and conditions.

Right of Inspection and Time for Payment: TAMKO shall have a reasonable time after notification of a claim to inspect the Shingles. The Owner shall provide TAMKO with reasonable access to the Shingles for purposes of inspection. If requested by TAMKO, the Owner must complete and deliver to TAMKO, at the Owner’s expense, a warranty questionnaire, photographs of the roof and samples of the Shingles. If reasonable access is denied or made subject to unreasonable conditions by the Owner, or if the Owner fails or refuses to cooperate in TAMKO’s investigation of the complaint (such as by failing to provide sample Shingles or photographs or a completed warranty questionnaire), TAMKO’s obligation under this Limited Warranty shall immediately terminate. If TAMKO determines there are manufacturing defects covered by this Limited Warranty, TAMKO will have up to ninety (90) days after receipt of notification to process the Owner’s claim.

120 Month Algae Relief - Algae Cleaning Limited Warranty: If, during the initial 120 months of the Term, Shingles designated with the Algae Relief feature, (See designated products under definition of “Algae Relief”) become stained by certain algae growth, including blue-green algae, TAMKO will issue to the Owner a Labor Payment Certificate that may be used to pay the reasonable cost of cleaning the Shingles (up to a maximum of \$15 per Sales Square). TAMKO shall have no liability or responsibility for cleaning Shingles with algae growth: (a) after the initial 120 months of the Term for Shingles which are designated as having the Algae Relief feature, or (b) at any time for Shingles that do not have the Algae Relief feature.

Limited Wind Warranty: The Shingles are also covered by a Limited Wind Warranty against damage from wind up to the designated wind MPH identified in Table 1. This Limited Wind Warranty applies only if: (a) the Shingles were installed in strict accordance with application instructions printed on the wrapper and (b) the Shingles have had the opportunity to seal down. Shingles that are installed in cool seasons may not seal until weather conditions are adequate to allow the seal down strip to activate. If conditions (a) and (b) have been met and during the Limited Wind Warranty Term the Shingles are damaged or blown off by wind up to the designated wind velocity for the product as a result of a manufacturing defect, TAMKO will process the Owner’s claim in accordance with the sections titled “TAMKO Full Start Period” or “After the Full Start Period,” whichever is applicable. Alternatively, TAMKO may, solely at its option, provide the Owner with a Labor Payment Certificate that may be used to pay the reasonable cost of manually sealing unsealed Shingles and replacing Shingles which have blown off and a Material Certificate for the number of shingles that have blown off. Shingles will be conclusively deemed to have been exposed to winds in excess of the designated wind velocity for the product if the National Weather Service or other reputable weather agency records winds in excess of

the designated wind velocity for the product in the county, parish, regional district or municipality where the Shingles are installed or in any adjoining county, parish, regional district or municipality. Exposure of the Shingles at any time to winds in excess of the designated wind velocity for the product shall extinguish all liability of TAMKO under this Limited Wind Warranty and all applicable implied warranties and conditions.

Exclusions from Coverage: TAMKO shall not be liable under any circumstances for:

1. Faulty or improper application of the Shingles, inadequate ventilation of the Shingles or Shingles not installed in strict accordance with application instructions printed on the wrapper or leaks or damages resulting from any one or more of such causes.
2. Damage to any building, either exterior or interior, or any property contained therein or for injuries or damages of any kind whatsoever.
3. Tear-off, removal, or disposal of any Shingles, or for any costs related to such tear-off, removal, or disposal.
4. Removal or abatement of any asbestos present in the roof to which the Shingles are applied, or for any costs related to such removal or abatement.
5. Shading or discoloration from any cause whatsoever, including, but not limited to algae, moss or staining from overhanging trees, except as provided in the Algae Relief- Algae Cleaning Limited Warranty set forth in this document.
6. Damage caused by Algae, fungus, or other biological growth.
7. Leaks or damages resulting from Acts of God (including, but without limitation, lightning, wind (except as set forth in the Limited Wind Warranty), hurricane, tornado, hail, or other violent storm or casualty), impact of objects or damage to a roof due to movement, settlement, distortion, failure or cracking of the roof deck, walls or foundation of a building, or for any defect in or failure of material used as a roof base over which the Shingles are applied, or for damage by traffic on the roof.
8. Damage to the Shingles as a result of exposure to chemicals including, but not limited to, aliphatic or aromatic solvents, chlorinated hydrocarbons, turpentine, oils or organic or inorganic polar materials.
9. Leaks or damage to the Shingles from any cause other than inherent manufacturing defect in the Shingle.

Transferability: The Owner may transfer this Limited Warranty one (1) time during the first two (2) years of the Term to a Purchaser of the building upon which the Shingles are installed. The transfer must occur simultaneously with the sale of the building. To transfer this Limited Warranty, the Owner must provide TAMKO with written notice within thirty (30) days after the transfer. The written notice must include the names of the Owner and the Purchaser, the address of the building upon which the Shingles are installed, the date the Shingles were installed, and the date of the transfer. The Owner may transfer this Limited Warranty only one (1) time. Except for one transfer to a Purchaser during the first two (2) years of the Term, this Limited Warranty may not be sold, assigned or transferred in any manner whatsoever. Neither a Purchaser nor any other person may transfer this Limited Warranty. Except as set forth in this paragraph, any assignment, sale or transfer of this Limited Warranty or the building to which the TAMKO Shingles are applied shall immediately terminate all liability of TAMKO for the Shingles, all warranties contained herein or hereunder and any applicable implied warranties and conditions including warranties or conditions of merchantability and fitness for a particular purpose. If the Limited Warranty for Heritage Vintage or Heritage 50 Shingles is transferred in accordance with this paragraph, the “Lifetime Limited Warranty” Term reverts to a 50 year Limited Warranty Term.
